Allergen Advice

If you suffer from a food allergy or intolerance, please let your server know upon placing your order. Please note we have full Allergy Information covering the most common allergens including gluten-free (GF) and dairy-free (DF) as well as suitability for vegetarians (V).

Ingredients can occasionally be substituted or changed. Processes and training are in a place so that meals on the gluten-free menu are gluten-free. Gluten-free means foods that contain gluten at a level of no more than 20 parts per million (ppm).

Allergen data is held on each of our dish ingredients, so please ask your server in the restaurant should you require any more details.
